

SYDNEY PRICELIST 2026

***SPECIALISING IN LAW, BUSINESS, ACCOUNTING,
FINTECH AND DATA ANALYTICS DEGREES***

WHY STUDY WITH US

IMC has been granted partial self-accreditation authority ("SAA") in the broad field of education Management and Commerce by TEQSA at Australian Qualifications Framework (AQF) levels 5 - 9.

IMC became the first non-university tertiary education provider in Australia of an LLB degree that enables its graduates to apply for admission as professional lawyers.

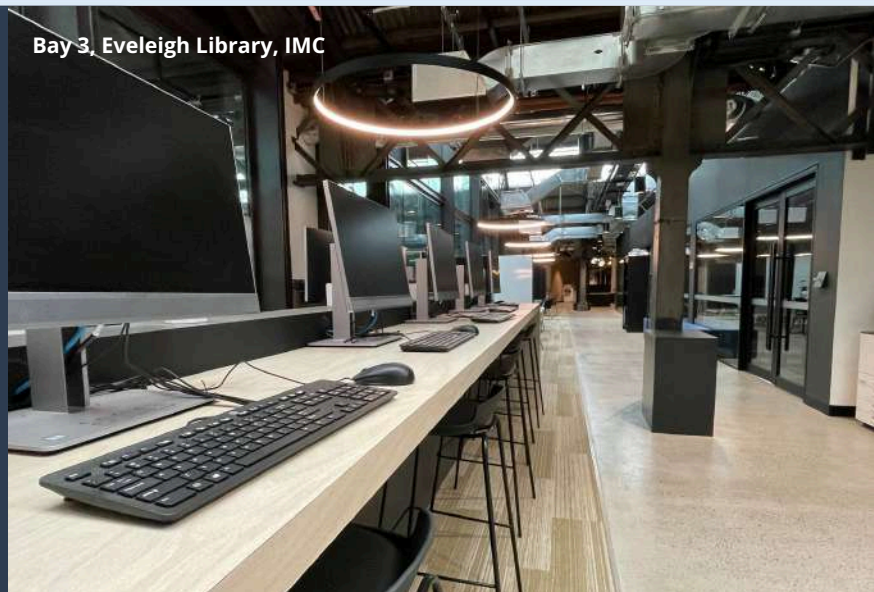

Strategic agreement with FinTech Australia, the leading industry body, to promote research and education in FinTech management.

Relevant course accreditation from professional bodies - e.g. CPA Australia, CAANZ, IPA, ACCA and LPAB.

Our campus in Sydney located at South Eveleigh, a heritage site with a stone's throw away from Redfern Station. The area is transforming as a hub for technology and is a diverse business community. The IMC campus premises features unique integration of heritage architecture, a well-designed classrooms and state-of-the-art teaching facilities.
