Welcome to Entrepreneur Education

Entrepreneur Education was established with one goal: to change the way education is delivered in Australia.

Our team firmly believe that each and every one of us can unlock our entrepreneurial potential and along the way, gain the skills necessary to succeed. To support this, Entrepreneur's choice of faculties; Faculty of Leadership, Design, Health, Entrepreneurship and Trade, provides a number of pathways for you to gain real world, life-skills that will transfer across a variety of industries.

Our 360° education method encourages students to communicate their ideas with other students and mentors to help bring that idea into a reality. Lifestyle is also an integral part of building motivated and empowered entrepreneurs and you can find inspiration at our campus in the heart of Surfers Paradise on the stunning East Coast of Australia.

No matter which path you choose you will enjoy Entrepreneur Education's eternal dedication to nurturing your ambition and bringing your ideas to fruition.

Because it all starts with just one idea...
