COLLEGE OF SKIN AND BEAUTY THERAPY

COURSE GUIDE 2020

INTERNATIONAL

INTERNATIONAL STUDENTS CHOOSE ELLA BACHÉ COLLEGE

A qualified Beauty Therapist is a skincare expert able to consult with a client about their skin condition, diagnose their needs to obtain a healthier skin and recommend a treatment and homecare regime. Working in a Beauty Salon, on a cosmetic counter in a retail store, in a 5 star resort or hotel or on a cruise ship they are the go to person for all clients' skincare concerns. Engaging with customers at every level of their salon experience is a major part of the beauty therapist's daily activity.

An Ella Baché therapist is an expert in skincare with a strong understanding of key body systems, skin biology, anatomy and cosmetic chemistry. Our therapists apply their expertise in performing a wide range of specialised face and body treatments. At Ella Baché we believe that no two skins are alike and customise our clients' skincare solutions accordingly.

An Ella Baché qualification opens doors nationally and internationally so it's natural for international students to choose Ella Baché College when deciding to study beauty therapy in Australia.

Ella Baché College of Skin and Beauty Therapy is registered with CRICOS, Provider No: 01474B, to deliver nationally accredited beauty therapy courses for Overseas Students who hold a valid Student Visa.

International students study at our Artarmon (North Sydney) campus with our local Australian students, and are taught by our inspiring trainers who bring a wealth of Beauty industry experience to their training.

WHY ELLA BACHÉ COLLEGE?

OUR HISTORY & BEAUTY INDUSTRY EXPERIENCE

Ella Baché skincare brand has been established in Australia since the 1950's. GRADUATE AND ARTICULATION PATHWAYS

International Student Graduates of the Diploma of Beauty Therapy qualification may:

- Apply for the credit transfer pathway into the Victoria University Bachelor of Dermal Sciences degree. Our Diploma of Beauty Therapy graduates gain eight credit points (equivalent to one year of study) into this four-year Bachelor-level course. This degree is a CRICOS-Approved course.
- ITEC Qualification: gain an additional international qualification with ITEC, the UK's leading awarding body for professional qualifications in Beauty Therapy.
- CIDESCO: Comite International d'Esthetique et de Cosmetologie, is the world's leading international Beauty Therapy Association. Founded in 1946 with its head office in Zurich, Switzerland, CIDESCO is represented in over 33 countries and issues the world's most prestigious qualifications in the field of aesthetics and beauty therapy. CIDESCO International Schools are overseen by CIDESCO to ensure that they adhere to the most rigorous standards of education, assessment and facilities and that graduates are of the highest calibre. Opportunities and advancement possibilities are much greater for CIDESCO Diploma holders and for those who are serious about building a career.

PHYSICAL REQUIREMENTS

- It is important to note that prior to practicing on clients, students are expected to perform treatments on each other during practical training sessions throughout the course. It is an essential part of learning experience which enables

students to experience the 'philosophy' of beauty therapy, to feel and understand what is being experienced by clients.

In addition, students will need to stand for a prolonged timeframe while performing treatments. The treatment timeframe can range from 15 minutes upwards depending on the treatment.

WORK EXPERIENCE

- All students are required to complete 150 hours of external work experience in a beauty salon. This will enable students to gain invaluable practical experience.
- Work experience can be undertaken at any salon; it is not a requirement that work experience be completed at an Ella Baché salon. Please note: Ella Baché salons are independently owned and operated.
- Work experience hours are in addition to the course hours.
- Work experience does not count towards the assessment of the course.
- Work experience will be done concurrently with study and may commence during Trimester 2 or later in the course. Incomplete work experience hours can be completed at the end of the course as required.
- Our Trainers assists students to prepare for work experience and where possible to find a work experience placement.
