HELLO THERE, OUR DREAM IS TO HELP YOU **MAKE GREAT HAPPEN**

OVERVIEW

### Get a caring career in nursing

Learn how to assist people with acute and chronic health issues, administer and monitor medications (including intravenous medication), implement and evaluate a plan of nursing care, confirm physical health status, apply principles of wound management, prepare for medical and surgical procedures, and communicate effectively with patients and other staff. You'll learn in a simulated clinical ward with state-of-the-art equipment. You'll also benefit from on-the-job clinical experience working as part of a team under the supervision of Registered Nurses. [...more online](#)

**Before you apply**

**1. Check the evidence required to apply for your visa**

Before you apply to study at TAFE Queensland, you should check what documents and evidence you will need to provide to the Department of Home Affairs (HA) to support your visa application.

**How to check what evidence you will need to provide to obtain a visa:**

- Visit the [Student Visa \(subclass 500\)](#) page on the HA website
- Scroll down to the Document Checklist Tool
- Select the country listed on your passport
- Enter 03020E in the Education Provider CRICOS code field
- Answer the final question: I am one of the following
- Click the Display Evidence button
- Read through the Documentary Evidence List to find out what you will need to submit with your visa application

**2. Review Admissions criteria and key dates**

- [English Language Entry Requirements](#)
- [Academic Entry Requirements](#)
- [Key Dates](#)

Some courses require you to meet additional entry requirements eg. Submit a portfolio or artwork with your application. Please check individual course requirements via the [Course page](#).

**3. Prepare your certified supporting documents**

If you are an international student applying directly to TAFE Queensland, you will need to include **certified copies** of the following documents to support your application:

- Copy of passport
- Educational certificate and academic records
- English language test results

**4. Applying as a mature aged student**

Mature age students (at least 21 years of age and with work experience/other qualifications) may be admitted into a program without meeting the formal academic requirements. The following documentation is required to support your application:

- Current CV
- References on company letterhead from current or previous employers

Where previous study/employment was conducted in English, submit a certified letter from the educational institution/employer confirming the language of instruction/employment was English.

**5. Under 18 students**

International student visa applicants under the age of 18 will only be accepted where they demonstrate that they will be accompanied by a parent, legal custodian or a suitable relative who is aged 21 or over. For more
