~ See Department of Home Affairs website for further details.

WHY CHOOSE TAFE SA?

TAFE SA gives you choice and flexibility. You can choose from more than 100 courses and follow pathways within our own areas of study or to university. It is your practical pathway to the career you want.

REAL-WORLD SKILLS FOR PRACTICAL CAREERS

At TAFE SA, you will develop the skills employers want. We have strong relationships with business and industry, ensuring our courses are relevant and up-to-date.

Our lecturers are all highly experienced, and they are active in their fields of expertise. Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job-ready.

Many of our courses include industry work placements as part of the course program. These work placements give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

At TAFE SA, our lecturers are accessible and supportive, and our classes are mostly between 15 and 20 students. These small class sizes mean more personal assistance and attention, and a more rewarding study experience.

A PATHWAY TO UNIVERSITY

Our packaged programs with Flinders University, The University of Adelaide and University of South Australia offer you an alternate way of achieving your end goal of a bachelor degree.

Successful completion of a TAFE SA diploma, advanced diploma or associate degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. It also reduces the length of time you are required to study at university, and therefore, the cost of your bachelor degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and either Flinders University, The University of Adelaide or University of South Australia, and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

HOW DOES CREDIT TRANSFER WORK?

TAFE SA has formal credit transfer agreements with South Australian universities, which give you automatic status or credit as part of a course or program. This means you can complete your university qualification quicker and at less expense.

A diploma from TAFE SA usually provides up to a year of credit towards university study. An advanced diploma usually counts for a year and a half, and an associate degree up to two years. There are no fees to apply for recognition through credit transfer.#

** Guaranteed only if students meet the minimum requirements to transfer to the applicable university.*

Application fees may be charged by your chosen education provider.

EXAMPLE OF SAVINGS

Jackson wants to complete a Bachelor of Engineering at university. This will cost him around \$34,400 (AUD) for each year of the four year degree or around \$137,600 (AUD) for the whole degree.

Jackson has chosen to study the Associate Degree in Electrical Engineering (092137K/CRS1400352) at TAFE SA which costs around \$17,500 (AUD) a year or around \$35,000 (AUD) for the two year course.

When Jackson completes his TAFE SA study, he will gain two years credit to go on to complete his bachelor degree at university in just two years.

At the end of the four years, Jackson will have two qualifications, the Associate Degree in Electrical Engineering and the related Bachelor of Engineering at one of Adelaide's finest universities.

This is what Jackson's dual qualification will cost him compared to if he had entered university directly:

TAFE + University		University	
1st year TAFE SA	\$17,500*	1st year university	\$34,400*
2nd year TAFE SA	\$17,500	2nd year university	\$34,400
3rd year university	\$34,400	3rd year university	\$34,400
4th year university	\$34,400	4th year university	\$34,400
Total	\$103,800 (AUD)	Total	\$137,600 (AUD)
Indicative Saving	\$33,800 (AUD)		

**Estimate only. Check TAFE SA and university websites for current course costs.*

SAVE ON YOUR DEGREE

Studying at TAFE SA is a smart choice that can save you money thanks to our competitive tuition fees.

Plus, as your TAFE SA qualification provides credit towards your university degree, it also saves you time and money while you complete your degree.

A COMPETITIVE EDGE

Studying at TAFE SA gives you practical experience and new skills, whatever your career goals. Even if you already have a university degree or years of work experience, learning practical skills and gaining an understanding of the most recent advances in your field gives you a competitive edge in the job market. Qualifications from TAFE SA are recognised throughout Australia and in many other countries.

YOUR LEARNING AND EXPERIENCE IS VALUED

At TAFE SA, we know that knowledge and skills are built up in many ways. Experience in a job or as a volunteer, previous study and training, and self-taught abilities are all important and valuable. If you can provide evidence of relevant skills or knowledge, you might be able to gain recognition for part of your studies, or even an entire TAFE SA course. This is called Recognition of Prior Learning (RPL). Evidence for RPL can include certification, references from employers, testimonials from clients, and samples of your work. Fees apply.

For our higher education courses students are eligible to apply for credit based on previous studies.

Each year, students from all over the world choose to study at TAFE SA. You could be one of them.

Take the next step...

REASONS TO LOVE ADELAIDE

Adelaide is one of the world's most liveable and loveable cities. Surrounded by rolling hills and endless sandy beaches, the city is beautiful, friendly, safe and affordable. People from more than 125 nations live in Adelaide, making it a welcoming and multicultural city.

Its climate is friendly too, with hot summers and mild winters encouraging an outdoor lifestyle. There are lots of reasons you will love Adelaide – here are just a few.

AFFORDABLE LIVING

Living in Adelaide is cheaper than most Australian cities. The cost of rent, transport and food is lower, which means a better quality of life for students.

There are job opportunities for students in Adelaide to help you get through your studies. Your student visa gives you automatic work rights in Australia. You can work up to 40 hours per fortnight while studying. Many of our international students find work in retail, hospitality and tourism. You can use websites such as seek.com.au and indeed.com.au to look for employment.

SAFE AND WELCOMING

Adelaide is an inclusive, multicultural city. People from more than 125 nations live here, bringing variety and vibrancy to the city. You are free to practice your culture and faith here without discrimination, and you will get to meet people from all over the world. Our crime rates are some of the lowest in the country.

EASY TO GET AROUND

Adelaide's design is based on a square grid layout surrounded by green parkland, so it is easy and pleasant to find your way around. The flat terrain makes walking and cycling easy, and you can drive if you have an international driver's licence. A public transport system of buses, trains and trams covers the city and suburbs – there is even a free 'city loop' bus and tram around the city centre. All international students can get cheaper tickets – just show your student ID card.

“ I choose to study in Adelaide as it is quiet, peaceful and the cost of living is so low. I am in love with this great city, its multicultural environment, lovely people and tradition. ”

Jakia, Bangladesh

SOUTH AUSTRALIA FAST FACTS

Capital City: Adelaide

State Population: 1.7 million

Adelaide Population: 1.3 million

Language: English

Currency: \$AUD

Area: 984,377 square km

Coastline: 3,700 km

Major exports: Metals, wheat, wine, meat, education and tourism

A LIVELY, COSMOPOLITAN CITY

Adelaide is known for its rich cultural life, especially for its festivals, which are famous around the world. WOMA Adelaide, the Adelaide Festival, Fringe Festival, OzAsia Festival and Adelaide Cabaret Festival are just some of the international arts and music events that keep the city buzzing. Sport is also popular, with international cricket and cycling, soccer, car racing, tennis and Australian Rules football to enjoy.

Our pristine beaches can be enjoyed all year round, and you can easily escape to the vineyards, national parks and picturesque countryside that surround the city.

DELICIOUS!

Adelaide is surrounded by farmland, providing a constant supply of fresh, local produce. Our historic Central Market sells fresh fruit and vegetables, along with meats, smallgoods, breads, cheese and more. Adelaide is well known for quality wine and beer, and our restaurant scene includes cuisine from all over the world. Our mix of cultures means there is likely to be a supermarket that sells food from your home country too.

A PLACE OF LEARNING

Adelaide has a strong and growing reputation as an education city.

In addition to TAFE SA, Adelaide is home to six world-leading universities: Flinders University, The University of Adelaide, the University of South Australia, Carnegie Mellon University, Torrens University Australia and CQ University Australia.

EVERYONE AGREES – ADELAIDE IS A GREAT PLACE TO LIVE AND STUDY

Adelaide is recognised as one of the most liveable cities. The Economist Intelligence Group ranked Adelaide in the global top ten in the Global Liveability Report 2017.

Adelaide has been recognised in this top ten for the past six years in a row and is highly regarded for its culture, education, environment, healthcare and infrastructure.

WEATHER

South Australia has a temperate climate with four distinct seasons. With moderate winters and warm to hot summers, South Australia does not experience tsunamis or cyclones.

Summer

Dec – Feb
Mainly hot & dry
25°C – 35°C

Autumn

Mar – May
Mainly dry
20°C – 25°C

Winter

June – Aug
Cool & wet

6 Tonsley	10km	Building and Design, Engineering
7 Urrbrae*	7km	Environment and Horticulture, Landscape Design

*2019-2020 course locations are subject to further confirmation

STUDENT SERVICES

Studying as an international student can seem daunting, but TAFE SA provides support to help you make the most of your time with us. From your arrival until graduation, we provide services including:

- > orientation for all new arrivals
- > counselling
- > academic learning and English language support
- > social and recreational programs.

ORIENTATION

As a new student at TAFE SA, you will attend an orientation program where you will get to meet lecturers and other students, and be shown around your new campus.

It is a great way to get familiar with Adelaide and settle into TAFE SA.

Go to tafesa.ed.au/international/support to view these services.

COUNSELLING SERVICES

If you have difficulties, our counsellors can help you. Counselling services are free and include:

- > career and course choice advice
- > online tutor support
- > financial advice and assistance
- > finding accommodation
- > assistance with medical, personal and family problems
- > advice on student visa and attendance issues.

Counselling services are accessible by phone, email or in person.

LEARNING SUPPORT

TAFE SA provides extra teaching assistance to students who experience difficulties with any aspects of their course. Learning support can help you:

- > organise your course work and study schedules
- > prepare for tests or examinations
- > build your academic skills.

STUDYADELAIDE

StudyAdelaide is a great source of information and support for international students. They run free competitions, giveaways and events, which are a wonderful way to meet other international students and experience Australian life in Adelaide. Visit studyadelaide.com for more information or send an email to events@studyadelaide.com if you'd like to join their mailing list to stay up-to-date with free StudyAdelaide activities.

ACCOMMODATION

Where to live is an important decision when you move to a new city. For most people, rental and transport costs are important, along with finding somewhere close to your campus, workplace and other facilities. TAFE SA international students choose between purpose-built student housing, homestay and private rental.

ACCOMMODATION TYPES

Student housing

Student housing in Adelaide includes individual studio apartments, shared apartments or dormitory accommodation. Most student housing is in the city centre or near TAFE SA campuses, which reduces transport costs. One advantage of student accommodation is that it often includes internet access, utilities, furnished apartments and sometimes other services such as meals and laundry.

One example of affordable student housing is Regency International House at TAFE SA's Regency Campus. The rental fee includes meals, utilities, weekly cleaning and access to shared recreation facilities. See tafesa.edu.au/international/int-support-services/int-accommodation for more information.

Homestay

Homestay is living with an Australian host family. It is a great way to experience Australian life and practice your English in a welcoming environment. As a homestay student, you will have a bedroom with linen and a place to study, and you will share a bathroom, kitchen and other facilities with your host family. Most homestay hosts provide meals, or you may need to provide and prepare your own food.

Your homestay hosts may be a family with children, a couple or a single person. Many Australian homes have pets, including dogs. You will be part of the household, so you will have to look after your own needs, such as keeping your room tidy and doing your laundry.

Visit Australian Homestay Network homestaynetwork.org/ for more information on organising your homestay.

Private rental

You can rent a house or apartment anywhere you like. On top of your weekly rent you will need to pay for utilities such as electricity, gas, water and telephone. You may need to sign a lease agreement with your landlord and pay a refundable bond in advance. Go to cbs.sa.gov.au/renting-and-letting for more information about your legal rights and obligations as a tenant.

Students often share a house, having a bedroom each, sharing the rest of the house and splitting expenses. If you rent a room in a share house, you might pay more if the room is furnished or if utilities are included in your weekly rent. Sharing can be a cheap option, but it is important to clearly agree on how chores and bills will be divided.

Search adelaidestudenthousing.com.au, realestate.com.au or domain.com.au to find properties for rent.

TAFE SA ENTRY REQUIREMENTS

ENTRY REQUIREMENTS

The table below states the minimum academic entry requirements for international students at TAFE SA.

To apply for	Requirement
Certificate II or certificate III course	Satisfactory completion of Australian Year 10 or equivalent in your country
Certificate IV course	Satisfactory completion of Australian Year 11 or equivalent in your country
Diploma, advanced diploma, associate degree or bachelor course	Satisfactory completion of Australian Year 12 or equivalent in your country

Most foundation studies programs offered by Australian education institutions and universities are accepted as equivalent to Australian Year 12. Some exceptions apply.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

The minimum IELTS (or equivalent) score for entry to most TAFE SA courses is an academic IELTS of 5.5 with a minimum of 5.0 in all bands. Some students who do not have a current IELTS (or equivalent) score may be able to gain an English language test score for entry to TAFE SA courses by taking the International Second Language Proficiency Rating (ISLPR) at our English Language Centre (ELC).

TAFE SA ENGLISH LANGUAGE CENTRE

TAFE SA's English Language Centre (ELC) is located in the heart of Adelaide and offers affordable, intensive English language programs tailored to suit all student needs. Its programs can provide entry into TAFE SA courses, as well as many undergraduate and postgraduate courses at The University of Adelaide, Flinders University and the University of South Australia. Or they can simply be used to improve your English while you are travelling or working in Australia.

English Language Partners

TAFE SA accepts English language results from the following providers: KAPLAN, IELI, English College of Adelaide, ILSC Language Schools and SACE.

Successful completion of your English program with one of our partners before your TAFE SA course means that you will not need to sit an extra IELTS test. Courses requiring an IELTS of 6.5 and over cannot choose an English Language Partner pathway. Applications for these pathways are made direct to the English Language Partner.

KAPLAN International English CRICOS Code 03008A,
IELI CRICOS Code 02916F, **ILSC Education Group** CRICOS Code 060152J,
SACE CRICOS Code 00094M, **ECA** CRICOS Code 00989E

SPECIAL ADMISSION REQUIREMENTS

Some courses including associate degrees in engineering, dental, early childhood education and care, and nursing as well as bachelor degrees have special admission requirements which might include:

- > successful completion of certain subjects
- > a specific pass level in certain subjects
- > an IELTS score higher than 5.5, no band below 5.0
- > presentation of a portfolio or audition
- > passing an assessment or a test set by TAFE SA.

You should always check the entry requirements for your chosen course before you apply.

STUDENTS UNDER 18 YEARS

Students younger than 18 can study with TAFE SA. You will need to be 17 years old when you start your study (at the date shown on your Confirmation of Enrolment (COE)) but you can apply when you are 16 years old. The Department of Home Affairs requires all students who are not living in Australia with their parents to have somewhere suitable to live and an appropriate adult who will be responsible for your care.

To apply for a student visa, students younger than 18 need to show the Department of Home Affairs that they have appropriate welfare and accommodation arrangements in place.

TAFE SA has approved AHN (Australian Homestay Network) and International Student Alliance (ISA) to provide welfare and accommodation services to these students and their families.

UNDER 18 APPLICATION QUICK GUIDE

- 1 > Student applies to study with TAFE SA.
- 2 > Parent or guardian decides who will provide care and accommodation for the student, i.e. parents or a close relative, or TAFE SA approved care and accommodation providers.
- 3 > Parent or guardian completes the Welfare and Accommodation Arrangement Form and follows the process.
- 4 > Care and accommodation is confirmed with the parent or guardian.
- 5 > Student accepts offer and receives COE and CAAW form if TAFE SA approves care.
- 6 > Students must not travel to Australia before the day their welfare arrangements begin.

UNIVERSITY PACKAGED PROGRAMS

UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with Flinders University, The University of Adelaide and University of South Australia offer you an alternate way of achieving your end goal of a bachelor degree.

Successful completion of a TAFE SA diploma, advanced diploma or associate degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. It also reduces the length of time you are required to study at university and therefore the cost of your bachelor degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and either Flinders University, The University of Adelaide or the University of South Australia and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

- > A guaranteed* pathway to university for students who have not quite met the requirements for direct entry.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

HOW TO APPLY

If you are applying for a University of South Australia, The University of Adelaide or Flinders University packaged program, you only need to submit one application to TAFE SA.

5 REASONS TO STUDY A TAFE SA UNIVERSITY PACKAGE

1

Get work experience

Many TAFE SA programs include work placements that give you valuable industry experience and make you more employable.

2

Part-time jobs

Work placements undertaken as a part of TAFE SA studies may lead to part-time job opportunities in your field of study.

3

Pay less in tuition fees

TAFE SA prides itself in having more affordable tuition fees than many of our competitors.

4

Trust and quality

We are a trusted government organisation with some of the most impressive training facilities in South Australia.

5

Two qualifications

Graduate with at least two qualifications in the time it takes most students to achieve one.

ENGLISH LANGUAGE PATHWAYS

DIRECT ENTRY TO UNIVERSITIES IN SOUTH AUSTRALIA WITH ELICOS PROGRAMS AT TAFE SA

The TAFE SA English for Academic Purposes (EAP) courses can provide direct entry to a range of undergraduate and postgraduate programs (excluding dentistry programs) at the University of South Australia and The University of Adelaide.

“ I have had a really positive experience studying at the English Language Centre at TAFE SA. The course is intensive and challenging but the teachers are very experienced and truly care about the progress of their students. ”

Orya, Israel - EAP 20

ENGLISH LANGUAGE PARTHWAYS TO UNIVERSITY

Course	Pathway	Duration	Intake	Entry	Exit
EAP 20 Part 1 and Part 2	Entry into TAFE SA and university programs which require IELTS 6.0 for entry.	20 weeks	January (Term 1) or July (Term 3)	IELTS 4.5 and 5 or equivalent	Pass (students deemed to meet IELTS 5.5*) Credit (students deemed to meet IELTS 6.0*)
EAP 20 Part 2	Entry into TAFE SA and university programs which require IELTS 6.0 for entry.	10 weeks	April (Term 2) or October (Term 4)	IELTS 5 and 5.5 or equivalent	Pass (students deemed to meet IELTS 5.5*) Credit (students deemed to meet IELTS 6.0*)
EAP Advanced Part 1	Entry into TAFE SA and university programs which require IELTS 6.0 for entry.	10 weeks	January (Term 1) or July (Term 3)	IELTS 5.5 or equivalent	Pass Part 1 (students deemed to meet IELTS 6.0*)
EAP Advanced Part 2	Entry into TAFE SA and university programs which require IELTS 6.5 for entry.	10 weeks	April (Term 2) or October (Term 4)	IELTS 6.0 or equivalent	Pass Part 2 (students deemed to meet IELTS 6.5*)

* Equivalent to IELTS score – there is no IELTS exam at the course end

Note: Students requiring 6.5 IELTS would be offered EAP Advanced, and, dependent on their current IELTS level, may require the General English and/or EAP 20 prior.

EAP 20 Part 2 (Apr/Oct entry) and EAP Advanced Part 1 (Jan/July entry) both exit with an IELTS equivalent of 6.0. Students should select their course based on their current English language level (IELTS or equivalent score) and the start date of their university course.

Depending on your nationality, the Department of Home Affairs might only accept a formal English language test result (such as IELTS, Pearson Test of English, TOEFL) as proof of English competency for student visa purposes. Please refer to www.homeaffairs.gov.au/trav/visa-1/500- for details.

Refer to www.tafesa.edu.au/international/entry-requirements for any updates to admission requirements or if your country is not listed above.

ENGLISH LANGUAGE INTENSIVE COURSES FOR OVERSEAS STUDENTS (ELICOS)

TAFE SA offers a highly supportive study environment where students develop high-level English skills through small classes and highly interactive teaching.

WHY STUDY ENGLISH WITH TAFE SA?

- > Small classes and individual attention from highly qualified teachers.
- > Affordable fees.
- > Only government-owned English Language Centre in South Australia.
- > Flexible start times and program durations, from 5 to 40 weeks.
- > Free English conversation classes with students from around the world.
- > Modern facilities with great transport links in the heart of Adelaide.
- > Clear pathways to universities in Adelaide.
- > Immersed in an authentic Australian academic environment, surrounded by domestic students.
- > Opportunities to sit in on TAFE SA classes.
- > Access to the TAFE SA library with extensive English language and online resources.

GENERAL ENGLISH

Our General English courses are designed for international students and other temporary visa holders looking to improve their English for personal or professional development. You don't need to be planning to study in a TAFE SA award course to study at the English Language Centre. The course will be tailored to your individual needs, depending on your level of English, goals and study pathways.

Course focus

- > Developing listening, speaking, reading and writing skills.
- > Improving vocabulary.
- > Improving grammar.
- > Developing communication skills.

New courses begin weekly, with a short pre-course assessment and interview to ensure you are enrolled at a level that suits you.

Fast facts

Duration: 5 to 40 weeks, not including holidays (enrolment must be in five-week blocks)

Start dates: Weekly throughout the year

Entry requirements: Elementary and above (not beginners)

Class levels: 5 levels from elementary to advanced

Fee: \$355 per week (40 weeks: \$14,200)

CRICOS Code: 064265A

ENGLISH FOR ACADEMIC PURPOSES 20 (EAP 20)

This course is designed for students with good English language skills who are planning to do further study at TAFE SA or university. With expert tuition by our experienced teachers, you will gain the academic English skills needed to reach your goals in the Australian academic environment.

Course focus

- > Developing high-level academic skills: writing, listening and note taking, reading, comprehension, academic language for oral presentations and seminars, study skills and research skills.
- > Developing grammar, pronunciation and academic skills.
- > Advanced preparation for IELTS: test-taking techniques and practice tests.
- > Developing specific vocabulary for your future course.
- > Improving your group interaction skills to work closely with other students in Australia or internationally.

You will be continually assessed throughout the course, with regular feedback and timely intervention to ensure your English is always improving.

Our EAP 20 course can serve as a direct pathway to TAFE SA award courses and undergraduate courses at South Australian universities.

Fast facts

Duration: 10 or 20 weeks, not including holidays

Entry requirements: EAP 20 requires a general or academic IELTS score of 4.5 or equivalent, with a minimum of 4.5 in all macroskills. Students requiring an exit level equivalent to 6.0 should start with a 5.0 in all macroskills.

Fee: 10 weeks for \$3,550; 20 weeks \$7,100

CRICOS Code: 064266M

“ The ELC at TAFE SA helped me quickly improve my English so I could study a pharmaceutical degree at the University of South Australia. I was impressed by the support I received from the staff and the facilities available to us. ”

Andre, Brazil - EAP 20

ENGLISH FOR ACADEMIC PURPOSES (EAP) ADVANCED

This course is aimed at students needing advanced English language skills for university study at undergraduate or postgraduate level. You will attend observation classes and join university campus tours to ensure you are fully prepared for your university career.

Course focus

- > Developing advanced university English language skills: lecture note taking, planning essays and assignments.
- > Developing specific vocabulary for your chosen field.
- > Practical experience in university learning: research tasks, group presentations and discussions, tutorials and seminars.

Our advanced courses can serve as a direct pathway to TAFE SA courses, as well as undergraduate and postgraduate courses at the University of South Australia and undergraduate courses at The University of Adelaide.

Fast facts

Duration: 10 or 20 weeks

Entry requirements: Students with an entry level of general/academic IELTS 5.5 overall (with a minimum of 5.5 in reading and writing and 5.0 in listening and speaking) or equivalent will generally enrol in EAP Advanced for 20 weeks. Students with an entry level of general/academic IELTS 6.0 overall (with a minimum of 6.0 in reading and writing and 5.5 in listening and speaking) or equivalent will generally undertake EAP Advanced for 10 weeks.

Fee: 10 weeks for \$3,550; 20 weeks \$7,100

CRICOS Code: 086001K

ADVANCED IELTS PREPARATION

An intensive course aimed at improving your IELTS test score for further study, work, immigration or professional registration. You will learn tips and techniques to improve your listening, speaking, reading and writing scores, from highly qualified teachers experienced in preparing students for IELTS tests.

Course focus

- > Gaining improved confidence in speaking.
- > Learning effective strategies for reading and listening tasks.
- > Improving grammar and vocabulary relevant to IELTS.
- > Learning time and stress management strategies for test taking.
- > Improving your IELTS score in all 4 skills by 0.5 points in just 10 weeks.

Fast facts

Duration: Minimum 5 weeks, maximum 20 weeks per semester, 20 contact hours per week (classes 5 hours per day, 4 days per week)

Entry requirements: IELTS 5.0 or above with a minimum of 5.0 in all sub scores or equivalent (20 weeks). IELTS overall of 5.5 with a minimum of 5.5 in all sub scores or equivalent (10 weeks).

Fee: 10 weeks for \$3,550; 20 weeks \$7,100

Visa: Available to students on all visas, including student visas, holiday visas and working holiday visas.

CRICOS Code: 074846G

WHICH ENGLISH LANGUAGE COURSE?

You can choose to study in any of our four English Language courses. Generally, it takes 10 weeks of tuition to improve your IELTS score by half a point. The ELC at TAFE SA is flexible in meeting the needs of its students.

WHICH ENGLISH COURSE IS BEST SUITED TO ME?

IELTS SCORE			Recommended Course	Weeks	
Have	Need				
2.5-4.0	>	4.5	>	General English	10-30
4.5	>	5.5	>	EAP 20	20

BACHELOR OF HOSPITALITY MANAGEMENT

WHY TAFE SA FOR HOSPITALITY?

With a strong focus on business and management skills, the Bachelor of Hospitality Management (093415G/ CRS1400418) offers you a competitive edge for careers in hospitality or hospitality-related positions both in Australia and internationally. The course offers many highlights.

- > Small class numbers for both lectures and tutorials.
- > Lecturers who are committed to quality, high-level education.
- > The combination of practical learning and on campus delivery enabling you to apply theoretical concepts to a wide range of practical situations.
- > Practical placements in selected four- and five-star establishments allowing you to acquire invaluable experience to apply your skills and learning.
- > Close industry liaison ensuring the design of the program is up to date and matches the demands and expectations of professional organisations.

ENTRY REQUIREMENTS

To be eligible to apply for this course you will need to have satisfactorily completed Year 12 (or overseas equivalent). International students will also need to be able to demonstrate English proficiency by an overall IELTS score of 6.0 Academic, with no individual band under 5.5 Academic.

CREDIT ARRANGEMENTS

Credit for Year 1 may be granted if a Diploma of Hospitality Management (090981A/SIT50416) has been successfully completed. This will be considered and confirmed on a case-by-case basis following application.

EMPLOYMENT OPPORTUNITIES

As a graduate, your world opens up to positions that offer a stimulating, international work environment and a wide array of career paths and job opportunities. This may be within the hospitality industry or other related organisations that seek motivated, professional and well-educated people.

For further details please refer to page 49.

OUR COURSES

ARTS AND DESIGN

EXPRESS YOURSELF IN A CREATIVE CAREER

Arts and design play a crucial role in our society. Performing arts and visual arts tell us stories about who we are and where we're going. Design is an essential part of turning ideas into reality. TAFE SA arts and design courses offer intensive, practical learning across a range of disciplines. From acting and fashion to graphic design, digital media and live production, there's a huge range of careers to choose from. You will study and work in modern, professional facilities, mastering tools and techniques that are vital to a career in the creative industries.

FASHION

Advanced Diploma of Applied Fashion Design and Merchandising

094961F / MST60116

SCREEN AND MEDIA

Diploma of Screen and Media

093659J / CUA51015

Students interested in the Screen and Media course will have the option of choosing one of three streams: Computer Generated Imaging and Visual Effects (CGI and VFX), Film and TV, or Game Art*.

The Film and TV stream equips students with comprehensive production and post-production skills required in today's screen industry.

The Computer Generated Imaging and Visual Effects (CGI and VFX) stream is for students that want to excel in the field of visual effects and 3D computer animation for television and cinema.

The Game Art stream will enable students with the skills required of artists in game development.

*The three streams are very different, therefore students cannot swap from a diploma of one stream into the advanced diploma of another stream. Students will need to list their preference when applying to TAFE SA.

Career Opportunities

See Advanced Diploma of Screen and Media (093660E/ CUA60615). Students are strongly encouraged to complete the diploma and advanced diploma as a package.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Year 12 or overseas equivalent.

Duration 1 year **2019 Fees** \$13,700
2020 Fees \$13,900

LEARN ENGLISH AND HELP OTHERS TO LEARN AND UNDERSTAND

TAFE SA education and language courses focus on developing the skills essential for success in our society. Whether you're learning how to express yourself or helping others to do so, these courses can provide the knowledge you need to take the next step in your studies or for your career.

English as a Second Language

If you need to improve your English skills to gain employment or admission into further study or training, our nationally accredited courses are for you. They are run through the English Language Centre and focus on a student's individual language needs, incorporating speaking, listening, reading and writing. You may also like to explore a career in Teaching English to Speakers of Other Languages (TESOL), designing and delivering an English language training program for learners from Culturally and Linguistically Diverse (CALD) backgrounds.

Certificate IV in Teaching English To Speakers of Other Languages (TESOL)

095649F / 10638NAT

This course covers the skills and knowledge requirements for designing and delivering an English language training program for learners from Culturally and Linguistically Diverse backgrounds (CALD). This course provides a strong focus on developing and using a range of adult teaching methods to assist learners to develop and improve their reading, writing, listening and speaking skills. TESOL methodologies are used in developing English language skills, through grammatical concepts and traditional metalanguage while developing and enhancing skills in cross cultural awareness. This course is designed for those who wish to pursue a career in TESOL either in Australia or abroad.

Career Opportunities

Participants in this course have included the following: Teachers of English as a Foreign/Second Language (EFL/ESL) in Australia and overseas; qualified teachers who wish to add English as a Foreign Language/English as a Second Language teaching skills to their current qualifications, qualified teachers from overseas who wish to improve their English teaching skills and volunteers.

Course Admission Requirements

Academic IELTS score of 6.5 overall with minimum of 6.5 in all bands or equivalent.

Satisfactory completion of Year 11 or overseas equivalent.

Suitability for the course is also determined by a pre-course interview which all applicants must attend regardless of their level of language proficiency.

Duration 6 months **2019 Fees** \$4,000
2020 Fees \$4,100

English Language Intensive Courses for Overseas Students (ELICOS)

Please see pages 17 - 20 for extensive detail on TAFE SA's ELICOS courses.

WELLBEING

Associate Degree in Primary Health and Wellbeing

093405J / CRS1400419

This is a unique course offered at this level in Australia. People in health or community services-related professions or considering study in these fields will benefit from the course, which will help them introduce primary health and wellbeing principles into their everyday work and life experiences. Primary health encompasses an understanding of the social, economic, cultural and political factors related to health. It is embraced by the World Health Organisation as the first level of contact individuals, families and communities have with the health care system. The course offers excellent support in students' transition from high school, VET qualifications or existing professional qualifications. Students will learn in a university-like environment in small class sizes, with one-on-one support from academic staff.

Career Opportunities

As a primary health care worker, graduates might work with specific population groups or people with particular health and lifestyle conditions.

Course Admission Requirements

Academic IELTS score of 6.0 overall with minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

BUILD A SATISFYING CAREER IN HOSPITALITY AND TOURISM

Food, drink, travel and tourism are always in demand, leading to a growing range of career opportunities. The TAFE SA Regency International Centre delivers a range of hospitality, travel and tourism courses to prepare you for careers in food production and preparation, such as cookery, patisserie and baking. We also have courses in event management and customer service. If people skills are your strength, a front-of-house role in a hospitality or travel business might be for you.

Our training restaurants like TIROS and Graduates at Regency enable students from a range of our courses to gain industry experience in a fully operational commercial setting. Students carry out all aspects of restaurant operations, including front-of-house, back-of-house, kitchen duties, patisserie and bakery shop-fronts and more.

BAKING AND PATISSERIE

Certificate III in Retail Baking (Combined)

075434J / FDF30710

This hands-on course will equip you with the skills and knowledge to work in a retail baking environment, from commercial to independently owned bakeries. You will gain practical skills in cake, pastry and bread baking. In cake and pastry baking you will learn how to make savoury and sweet pastries, croissants, brioche, meringues, macaron, cakes, gateaux and torte, decorating techniques and fillings. In bread baking you will gain practical skills in dough preparation and produce various breads from white, rye, wholemeal through to specialty breads from different countries, and more.

Career Opportunities

Students who have completed this course will have the skills to seek work opportunities in international hotels, catering institutions, hot bread shops, supermarket bakeries, artisan bakeries, restaurants, cafés, plant bakeries, bread and cake franchises and hospitals.

Course Admission Requirements

Academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or equivalent.

Duration 1 year	2019 Fees \$14,750
	2020 Fees \$14,950

Work Placement 600 hours

Certificate III in Patisserie

093608J / SIT31016

This course will teach you how to prepare and produce pastries, cakes and yeast goods for commercial use, and prepare you to work with some independence and under limited supervision. You may provide operational advice and support team members.

Career Opportunities

This course provides a pathway to work in various hospitality enterprises where patisserie products are prepared and served, including patisseries, restaurants, hotels, catering operations, clubs, pubs, cafés and coffee shops. Possible job titles include a pastry chef.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 1 year	2019 Fees \$14,750
	2020 Fees \$14,950

Work Placement 240 hours

Certificate IV in Patisserie

093609G / SIT40716

This course promotes skills for pastry chefs who have supervisory or team leading roles in the kitchen. Pastry chefs operate independently or with limited guidance from others and use discretion to solve non-routine problems and control costs. This qualification will equip you with a broad range of advanced cake and dessert finishing skills, including sugar pulling and chocolate designs.

Career Opportunities

Pâtissier, pastry chef or supervisor.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Successful completion of the Certificate III in Patisserie (093608J/SIT31016).

Duration 6 months	2019 Fees \$10,650
	2020 Fees \$10,800

COOKERY

Certificate III in Commercial Cookery

094563J / SIT30816

This course is for commercial cooks who use a wide range of cookery skills. You would use discretion and judgement and have a sound knowledge of kitchen operations to prepare food and menu items. The job role would include working with some independence and under limited supervision and may provide operational advice and support to team members.

Career Opportunities

Commercial cook in a restaurant, hotel or hospital, sous chef in a small hospitality establishment, cook in aged care facilities (residential and retirement living).

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Indian, Nepalese, Pakistani and Bangladeshi students need to consult the TAFE SA website for further course admission requirement information.

Duration 1 year	2019 Fees \$14,750
	2020 Fees \$14,950

Work Placement 400 hours

Certificate IV in Commercial Cookery

094564G / SIT40516

This course is for commercial cooks who have a supervisory or team leading role in the kitchen. You would operate independently or with limited guidance from others and use discretion to solve non-routine problems.

Career Opportunities

Chef, chef de partie, sous chef in a small hospitality establishment.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Certificate III in Commercial Cookery (094563J/SIT30816).

Indian, Nepalese, Pakistani and Bangladeshi students need to consult the TAFE SA website for further course admission requirement information.

Duration 6 months **2019 Fees** \$10,150
2020 Fees \$10,300

FOOD TECHNOLOGY

Diploma of Food Science and Technology

081468D / FDF50311

This course has been designed to provide students with an in-depth level of knowledge and skills that can be practically applied in a wide variety of occupations across the food and beverage processing industry.

During the course you will research and develop your own new food product, participate in industry tours, produce a range of value-added food products including cheese, ice cream, confectionery, olive oils, jams and sauces, experiment with the production of a range of beverages including beer, coffee and soft drinks, and you will have the opportunity to work alongside highly qualified industry professionals in world class facilities.

Career Opportunities

Food technologist, production manager, quality systems manager, product development team leader.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

Duration 1 year **2019 Fees** \$9,150
2020 Fees \$9,300

- University of South Australia

Bachelor of Hospitality Management

093415G / CRS1400418

With a strong focus on business and management skills, this degree program offers students a competitive edge for careers in hospitality or hospitality related positions both in Australia and internationally. It is a comprehensive, industry relevant program that offers university level study in strategic planning, finance, marketing, international human resource management and research and business ethics.

Its aim is to create an industry professional who is versatile and adaptable with a diverse skill base and able to adapt to an ever changing business environment in an increasing global market place.

The combination of work integrated learning (practicum placements) and on campus delivery allows students to apply theoretical concepts to a range of practical situations and develop an understanding of managerial decision-making in industry contexts.

Career Opportunities

Innovative and entrepreneurial positions as a banquet or function manager, chef de cuisine, chef patissier, kitchen manager, motel manager, restaurant manager, sous chef, unit manager (catering operations), business owner.

Course Admission Requirements

Academic IELTS score of 6.0 overall with minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

Successful completion of the Diploma of Hospitality Management (090981A/SIT50416) or equivalent will reduce course duration to 2 years.

Duration 3 years **2019 Fees** \$45,000
2020 Fees \$45,650

Work Placement 302 hours

MEAT PROCESSING

Certificate III in Meat Processing (Boning Room)

092823K / AMP30116

This course covers work activities in boning rooms or meat wholesale enterprises which prepare meat cuts from whole carcasses.

Career Opportunities

Boner, slicer, bandsaw operator.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$8,100
2020 Fees \$8,200

Certificate III in Meat Processing (Retail Butcher)

089692J / AMP30815

This qualification is suitable for the meat retailing or butchery sector. Students learn about work practices in retail meat enterprises in relation to health, safety, hygiene, quality and productivity. Students also learn how to prepare, package and merchandise a range of meat products including primal and specialist cuts.

Career Opportunities

Butcher, butcher shop sales assistant, meat department worker, assistant butcher, meat wholesale worker, boning room assistant.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$8,100
2020 Fees \$8,200

TOURISM

Certificate III in Tourism

093603C / SIT30116

This course provides the skills and knowledge for an individual to be competent in a range of well-developed tourism sales, operational and tour delivery skills. Work would be undertaken in an office environment where the planning of tourism products and services takes place, in the field where tourism products are delivered, or a combination of both. The field include any destination, local or regional area, tourist precinct, site, attraction or on-board form of transportation. Content meets the needs of skilled operators who wish to apply a broad range of competencies in a varied work context, using some discretion and judgement and relevant theoretical knowledge. They may provide technical advice and support to a team.

Career Opportunities

Reservation sales agent for a tour operator, visitor information officer, inbound tour coordinator, booking agent, sales consultant, attractions attendant.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration	6 months	2019 Fees	\$7,100
		2020 Fees	\$7,200

Certificate III in Travel

090941J / SIT30216

This course provides you with the skills and knowledge to work effectively in the travel industry. It incorporates administrative skills, operational knowledge of booking systems including airline reservations and fares and ticketing, and customer service and sales skills. You will be qualified for an entry level position in a variety of roles where reservations and sales are required. This can include a retail travel agency, wholesale tour company, tour operator, hotel, or any of the transport options such as airlines, coach and rail operators.

Career Opportunities

Travel consultant (domestic, international, corporate, leisure, online, mobile) reservations officer (tour operator, wholesaler, airline, coach, rail, hotel).

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration	1 year	2019 Fees	\$9,500
		2020 Fees	\$9,800

Work Placement 22 hours

Diploma of Travel and Tourism Management

093604B / SIT50116

INFORMATION TECHNOLOGY

WORK WITH COMPUTER TECHNOLOGY IN A VARIETY OF SETTINGS AND INDUSTRIES

Information Technology (IT) is now a vital element in most industries and occupations. At TAFE SA you will receive practical, hands-on IT training in small groups. Your qualifications in this area can lead to employment as an IT manager, network manager or technician, software designer, applications and analyst programmer, web designer, or graphics and multimedia professional. Our IT courses can also lead to further educational pathways at university.

DIGITAL LITERACY AND DIGITAL MEDIA

Certificate II in Information, Digital Media and Technology

088894G / ICT20115

This course is designed to certify the existing skills of individuals who perform a range of fundamental information and communications technology (ICT) functions using a personal computer. Competencies vary from occupational health and safety, to soft skills such as communication and software and hardware units.

Career Opportunities

Office assistant, records assistant, junior office support.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$6,600
2020 Fees \$6,700

Certificate III in Information, Digital Media and Technology

088895F / ICT30115

This course provides the skills and knowledge to be competent in a wide range of general ICT technical functions and to achieve a degree of self-sufficiency as an advanced ICT user.

People working at this level will support information technology activities in the workplace across a wide range of ICT areas including technical support, network administration, web technologies, software applications and digital media technologies.

Career Opportunities

Help desk officer, help desk assistant, ICT operations support, ICT user support, PC support, technical support.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$6,600
2020 Fees \$6,700

Certificate IV in Digital Media Technologies

088897D / ICT40815

This course provides opportunities to work with new and emerging digital media technology to develop skills in web design, web programming, digital image editing, 2D and 3D modelling and animation, games development, video editing and post-video production.

There is a focus on mobile website development with HTML5 and CSS3 for developing mobile-based websites for Android, iOS, Windows, tablet and mobile devices.

Career Opportunities

Graphic designer, web designer, illustrator, multimedia designer, assistant information and communication technology (ICT) specialist.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 11 or overseas equivalent, or completion of the Certificate III in Information, Digital Media and Technology (088895F/ICT30115).

Duration 1 year **2019 Fees** \$13,200
2020 Fees \$13,400

Diploma of Digital Media Technologies

088899B / ICT50915

This course provides you with the skills and knowledge to be competent in designing, developing and refining digital media technologies as an independent ICT specialist or as part of a team. It provides the opportunity to work in new and emerging digital media technology areas with skills in web design and development, web programming, advanced image editing, 2D and 3D modelling and animation, introduction to games development, programming for mobile applications, video editing and post-video production.

Career Opportunities

Graphic designer, web designer, illustrator, multimedia designer.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent, or the successful completion of the Certificate IV in Digital Media Technologies (088897D/ICT40815).

Duration 1.5 years **2019 Fees** \$19,800
2020 Fees \$20,100

IT SUPPORT

Certificate IV in Information Technology

088902A / ICT40115

This course is designed to provide a wide range of general information and communications technology (ICT) skills and knowledge specialisation in IT activities across a range of digital media technologies. It builds on the knowledge gained in Certificate III Information, Digital Media and Technology (088895F/ICT30115) and will equip you with the expertise to manage the IT requirements of a small business.

You'll develop a range of skills required for employment in the ICT and digital media industry including skills in IT hardware, networking using CISCO, Microsoft technologies and virtual machines.

Career Opportunities

IT support technician, database and systems administrator, IT security.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 11 or overseas equivalent, or completion of the Certificate III in Information, Digital Media and Technology (088895F/ICT30115).

Duration 1 year **2019 Fees** \$13,200
2020 Fees \$13,400

Advanced Diploma of Computer Systems Technology

088901B / ICT60515

This course provides you with the skills and knowledge to be competent in hardware and networking, software programming and web development. A person with this qualification would participate effectively in WHS communication and consultative processes, implement and monitor environmentally sustainable work practices, determine and confirm client business requirements and contribute to copyright, ethics and privacy in an IT environment.

Career Opportunities

IT support technician, database and systems administrator, IT security, system developer.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Certificate IV in Information Technology (088902A/ICT40115).

Duration 1 year **2019 Fees** \$13,200
2020 Fees \$13,400

NETWORKING AND SECURITY

Certificate IV in Information Technology Networking

088896E / ICT40415

This course provides a high-level IT technical base with the ability to specialise in Microsoft and Linux server operating systems, voice, wireless (Aruba), network infrastructure (Cisco CCNA, Cisco Security), virtualisation technologies (VMware, Hyper V) and sustainability.

Career Opportunities

Network support, network operations support, network operations technician, network support technician.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 11 or overseas equivalent, or completion of the Certificate III in Information, Digital Media and Technology (088895F/ICT30115).

Duration 1 year **2019 Fees** \$13,200
2020 Fees \$13,400

Diploma of Information Technology Networking

088898C / ICT50415

This course provides you with the skills you need to gain employment in a range of network related fields. Learn about the administration and installation of network switches and routers, security issues, hardware and software faults, database enabling, operating systems, configurations, network systems, networking monitoring and e-business. Included in this course are units covering CISCO Networking Academy – CISCO Systems accredited training. Students will have an opportunity within this program to complete Microsoft and CISCO certification.

Career Opportunities

Network administrator, IT administrator, IT operations administrator, network services administrator, network support coordinator, network operations analyst, network security coordinator, network e-business coordinator.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Certificate IV in Information Technology Networking (088902A/ICT40115).

Duration 6 months **2020 Fees** \$6,600
2020 Fees \$6,700

SOFTWARE DEVELOPMENT

Certificate IV in Programming

088903M / ICT40515

This course provides you with the basic skills and knowledge in programming and software development. Software and applications programmers design, develop, test, maintain and document program code according to user requirements and system and technical specifications. You will create software products to meet an initial project brief or customise existing software products to meet customer needs.

The course has a focus on mobile application development for Windows mobile using C#, Android mobile using Java and iPhone/iPad using Objective C. Additionally, web application development is included in three key approaches: PHP/MySQL, Java and C#.NET (ASP).

Career Opportunities

Assistant applications programmer, assistant software developer, assistant web application programmer, assistant web developer.

Course Admission Requirements

An academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 11 or overseas equivalent, or completion of the Certificate III in Information, Digital Media and Technology (088895F/ICT30115).

Duration 1 year **2019 Fees** \$13,200
 2020 Fees \$13,400

Diploma of Software Development

088905J / ICT50715

This course provides you with advanced skills and knowledge to be highly competent in programming and software development. You will create new software products to meet an initial project brief or customise existing software products to meet customer needs.

There is a focus on mobile application development with a Windows Mobile development subject with C#, an Android mobile development subject with Java and an iPhone/iPad development subject with Objective C. Web application development is included in the three key approaches: PHP/MySQL, Java and C#.NET. The diploma final stage includes a cloud computing subject.

Career Opportunities

Analyst programmer support, programming developer, software applications programmer, software developer, database support programmer, web support programmer.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Certificate IV in Programming (088903M/ICT40515).

FORGE A CAREER IN MINING OR MECHANICAL MAINTENANCE

TAFE SA provides industry-leading education for the vital mining, engineering and automotive sectors with courses ranging from entry level training and apprenticeships to advanced courses for paraprofessionals and pathways to university. You will have access to the latest technology and equipment as you build skills and knowledge. Links with industry provide you with opportunities to gain real-world experience in the workplace as you learn.

AUTOMOTIVE

Certificate III in Light Vehicle Mechanical Technology

091597A / AUR30616

This course examines service and repair of mechanical, electrical and electronic components and systems associated with light vehicle engines, suspension, steering, braking, transmissions, ignition and electrical accessory systems and related components. Tasks also include discussing problems with customers to detect faults through various diagnostic procedures and use of specialised diagnostic equipment. The introduction of electronic control for engine, emission and dynamic vehicle control systems has given an added dimension to the complexity of this traditional motor mechanic work.

Career Opportunities

Light vehicle mechanical technician.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration	1 year	2019 Fees	\$16,250
		2020 Fees	\$16,500

Work Placement 152 hours

Certificate IV in Automotive Mechanical Diagnosis

091649E / AUR40216

This course is aimed at technicians who have completed a certificate III in an automotive trade and wish to gain a higher level of skills in the diagnosis of complex vehicle systems. This course provides a higher level of training in the areas of analysis and evaluation of various automotive systems, including engines, brakes, transmission, steering and suspension. Various automotive electrical systems are also included, as well as engine management, vehicle safety systems and hybrid vehicles.

Career Opportunities

Master technician, workshop foreman.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Certificate III in Light Vehicle Mechanical Technology (091597A/AUR30616) or equivalent.

Duration	6 months	2019 Fees	\$7,625
		2020 Fees	\$7,750

Work Placement 152 hours

Diploma of Automotive Technology

091697G / AUR50216

This qualification covers the skills and knowledge required to diagnose, analyse, evaluate, design and modify automotive electrical and mechanical systems. It is suitable for those working in the automotive service and repair industry at the forefront of the implementation of new technologies. Units also covered in the diploma include preparing technical reports, dynamometer testing of engines and vehicles and modification to mechanical systems.

Career Opportunities

Advanced diagnostic technician, automotive system designer.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of the Certificate IV in Automotive Mechanical Diagnosis (091649E/AUR40216) or equivalent.

Duration	6 months	2019 Fees	\$7,600
		2020 Fees	\$7,700

Work Placement 152 hours

ELECTRONICS AND COMPUTER SYSTEMS

Diploma of Electronics and Communications Engineering

078960G / UEE50511

This qualification leads to the application of electronic components and computers to enable technologies like mobile communications, medical devices, mining equipment, robotics and more. You develop skills to select, commission, maintain and diagnose malfunctions of electronic subassemblies and systems.

Career Opportunities

Work as a technical officer in the rapidly growing electronics industry and related areas like defence, mining, biomedical and communications. You may commission and maintain medical equipment or supervise production line activities in a manufacturing environment.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

Duration	2 years	2019 Fees	\$26,250
		2020 Fees	\$26,650

Work Placement 36 hours

Associate Degree in Biomedical Engineering

092136M / CRS1400351

Biomedical engineering combines engineering principles with medical sciences to develop cutting-edge healthcare devices.

The South Australian biomedical industry is rapidly growing, and it needs a specialised and highly trained workforce at the paraprofessional qualification level.

Career Opportunities

As a biomedical paraprofessional you will be installing, commissioning, testing and fault-finding biomedical equipment used in the health system. The employment opportunities for the graduates of this course are in the SA Biomedical Engineering (SA BME) department at a paraprofessional engineer level, as well as other private companies who offer biomedical engineering services to South Australian health institutions. You may also find employment opportunities in electronics and related industries, government, biomedical equipment and research institutions.

Course Admission Requirements

Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 including a Mathematics subject or overseas equivalent.

Duration 2 years	2019 Fees \$35,000
	2020 Fees \$35,500

University Packaged Programs

- Flinders University
- The University of Adelaide

Associate Degree in Electronic Engineering

066407J / CRS1400029

South Australia has a very strong electronics sector that specialises in the design and manufacture of defence, communication and instrumentation systems, sensors and medical devices. Designed in collaboration with industry, the course prepares you to become an electronics associate (technical officer). This course has full professional accreditation by Engineers Australia.

Career Opportunities

Electronic engineering technical officer.

Course Admission Requirements

Academic IELTS score of 6.0 overall with minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 including a Mathematics subject or overseas equivalent.

Duration 2 years	2019 Fees \$35,000
	2020 Fees \$35,500

CIVIL AND STRUCTURAL ENGINEERING

Associate Degree in Civil and Structural Engineering (Design Drafting)

092138J / CRS1400353

This course was developed by TAFE SA to respond to the workforce development needs of the civil and structural consulting industry in South Australia. Designed in collaboration with industry, the course prepares you to become a design drafter.

As a design drafter you will be preparing drawings, documentation and specifications, inspecting works and estimating costs.

Career Opportunities

Design drafter.

Course Admission Requirements

Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 including a Mathematics subject or overseas equivalent.

Duration 2 years	2019 Fees \$35,000
	2020 Fees \$35,500

University Packaged Programs

- Flinders University
- The University of Adelaide
- University of South Australia

Associate Degree in Civil and Structural Engineering (Site Management)

092139G / CRS1400354

This course was developed by TAFE SA to respond to the workforce development needs of the civil and structural consulting industry in South Australia. Designed in collaboration with industry, the course prepares you to become a site engineer or project manager. In this role, your work may involve project programming, quality control, managing construction teams, liaising with sub-contractors and suppliers, and communications with project stakeholders.

Career Opportunities

Site engineer, project manager.

Course Admission Requirements

Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 including a Mathematics subject or overseas equivalent.

Duration 2 years	2019 Fees \$35,000
	2020 Fees \$35,500

University Packaged Programs

- Flinders University

MINING EXPLORATION

Certificate III in Mining Exploration

089822D / RII30515

This course aims to train you to become a geoscience field assistant. Geoscience field assistants work alongside geoscientists in various areas of mineral, oil and gas exploration undertaking various geological duties in the field and office.

Career Opportunities

Exploration field assistant, pit technician sample catcher.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$7,600
2020 Fees \$7,700

WORK WITH ANIMALS AND PLANTS, ON THE LAND OR IN THE LAB

We face a growing need for the sustainable management of our environment. This has driven biotech innovations in agriculture, horticulture, aquaculture and animal welfare. Environmentally sustainable industries provide opportunities in environmental consulting, ecosystem management, and services to agriculture, fisheries and water technologies. TAFE SA agriculture and biology qualifications can lead to careers in laboratory technology, horticulture, landscape design or conservation and natural resource management.

CONSERVATION AND LAND MANAGEMENT

Certificate III in Conservation and Land Management

092553E / AHC31416

For those with a green thumb and a passion for conservation, this course will provide you with an excellent working knowledge of the horticulture and conservation industries.

The course enables individuals to select an indigenous land management, conservation earthworks, lands, parks and wildlife or natural area management context as a job focus, or a mix of these.

Career Opportunities

Indigenous lands worker, national parks worker, revegetation worker, land rehabilitation worker.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

This course has a large practical, field-based component, therefore a moderate level of physical fitness is required. Activities include bush walking, camping and other related physical activity.

Duration 1 year **2019 Fees** \$10,150
2020 Fees \$10,300

Diploma of Conservation and Land Management

092603M / AHC51116

This course reflects the role of personnel working in management positions with technical level skill in land management roles. Individuals can select an indigenous land management, conservation earthworks, lands, parks and wildlife, or natural area management context as a job focus, or a mix of these.

Career Opportunities

Manager in conservation, lands, parks and wildlife, bush care, environmental and regeneration worker.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Successful completion of the Certificate III in Conservation Land Management (092553E/AHC31416).

This course has a large component of field work, therefore a moderate level of physical fitness is required.

Duration 1 year **2019 Fees** \$9,150
2020 Fees \$9,300

University Packaged Program

- The University of Adelaide

HORTICULTURE

Diploma of Horticulture

092587F / AHC50416

This course will enable you to develop skills and knowledge in managing plant health, horticultural trials, collecting data, preparing reports, soils, plant cultural practices for amenity horticulture, developing strategies for the management of pests, and collecting and classifying plants.

Career Opportunities

Senior horticulturist, parks and garden manager, horticulture enterprise manager.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

Duration 2 years **2019 Fees** \$18,300
2020 Fees \$18,600

Diploma of Landscape Design

092596E / AHC50616

By completing this course you will learn about assessing, designing and preparing a variety of landscape projects including residential and commercial studios, producing computer aided drawings and implementing business processes such as quoting and tendering, preparing contracts, and designing suitable landscapes.

Career Opportunities

Landscape designer, garden designer.

Course Admission Requirements

Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 12 or overseas equivalent.

Duration 2 years **2019 Fees** \$20,300
2020 Fees \$20,600

University Packaged Program

- The University of Adelaide

SCIENCE

Certificate III in Laboratory Skills

090890D / MSL30116

Learn how to work effectively in a laboratory.

This course covers performing basic laboratory analysis, maintaining equipment, calibrating test equipment, processing and recording data, communication and teamwork.

Career Opportunities

Laboratory and science technician (laboratory worker), laboratory assistant.

Course Admission Requirements

Academic IELTS score of 5.5 overall with minimum of 5.5 in all bands or equivalent.

Satisfactory completion of Year 10 or overseas equivalent.

Duration 6 months **2019 Fees** \$9,650
2020 Fees \$9,800

Work Placement 240 hours
