**Upon completion of the AE Diploma,
Fons received 6 months credit and
30% discount scholarship at UTS**

Hi Paula,

This is Monica, Fon's mom.

We just got back from Sydney, leaving Alphonsus in UTS housing.

I'd like to thank you for opening up a whole new world to Alphonsus, beginning with the Sydney study tour in 2024, then AE's diploma in business, and finally UTS.

Alphonsus returned to Manila after the study tour an entirely different person - energized with a new-found vision, purpose and confidence.

His Diploma in Business classes transformed into to a highly engaged student infused with a global perspective. His school mentor observed the change and said that talking to Alphonsus was like talking to a grown-up colleague.

The AE program was a game changer for Alphonsus.

I sent a commendation for AE's study tour and diploma course to Mr. Allan Dioko who will surely take it up with Paul Cheng. Told him Paula Mills was true to her word and delivered 100%.

Thank you so much.

Best regards,
Monica
