TIMETABLE AND DELIVERY INFORMATION

We deliver our courses over 4 x 10-week terms per year. Each course has 20 scheduled hours of training and assessment per week, comprising 14 hours of timetabled face-to-face classes and 6 hours of online structured self-study activities. Completion of the structured self-study activities is an important and mandatory component of the course.

We currently offer 3 timetable options (noting not all timetable options are available for all courses in all campuses):

- **Monday & Tuesday** - Day Classes
- **Wednesday & Thursday** - Day Classes
- **Monday to Thursday** - Evening Classes

Students can express a preference for a timetable option from those available for their course at their campus at the time of enrolment. Allocation to a timetable option is subject to availability and may change from term to term throughout the course. To reduce the number of students moving around the campus at the start and end of class and during breaks, we have introduced staggered class start times. The class times for both day and evening classes are set out below. Students will be informed of the times for their class prior to the start of the term.

Morning	Afternoon	Evening
8:30am - 12:00pm	1:00pm - 4:30pm	5:30pm - 9:00pm
9:00am - 12:30pm	1:15pm - 4:45pm	
9:30am - 1:00pm	1:45pm - 5:15pm	

Please refer below for a breakdown of the currently available timetable options by course and campus.
