Sanngern Chanyanuch

"I choose to study in Greenwich because it is a highly regarded institution and many students choose to study here. I chose this course because I wanted to improve my listening, speaking, reading and writing skills. So that I can use the knowledge from this course when I study certificate and diploma. I gained a lot of experience studying with Greenwich. I got a lot of foreign friends, met many native teachers and had the confidence to express more opinions."

GENERAL ENGLISH

Carolina Barros Castro

"Greenwich college offers vast options of courses and they helped me to pick the best one that suits my goals and availability. My teacher is so committed to his job and passionate about what he does that he makes the learning process extremely easier than it looks. Always funny and making sure everybody is on time and participating. I am super surprised with the methodology that Greenwich uses because it keeps my attention and makes me want to study more."

CAMBRIDGE ENGLISH (CAE)

Sara Cerminara

"Without EAP, I would have been lost at my first semester at MQU. EAP focused a lot on writing skills; however, we learned a great deal more to prepare for academic life at university, like presentation skills and note-taking. Discussions and debates in class were lively and interactive. EAP helped me clear my personal hurdles and improved so many English skills."

ENGLISH FOR ACADEMIC PURPOSE (EAP)

Omasz Henryk Gorny

"The school is clean and spacious and the atmosphere is nice. I really liked the way I was taught English: through games, competitions, and conversation with my classmates. The teachers are very helpful in finding the perfect way for an individual student to learn."

IELTS

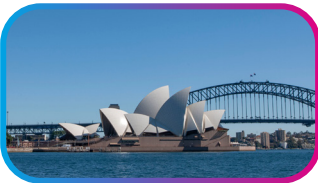

Kotaro Adachi

"I came to Greenwich College in April 2022. In the beginning, I was so nervous about the new environment, but everyone in school always took care of me. I am not only studying English but I'm also learning many things by spending a lot of time with students from other cultures. Everyone really understands my motivation and enthusiasm and supports me to achieve all my goals. If you have any concerns, everyone here will help you whenever you need them."
